MEDIA SECTOR

CASE STUDY 1

Client	THOMSON SCIENTIFIC
Location	London EC1N
Affected Staff Numbers	350
Statistics	65% reduction of onsite documentation
Project Details	<p>Due to the amalgamation of two offices and relocation to flagship premises within The Johnson Building, Thomson Scientific appointed Filing Plus to manage the entire filing process.</p> <p>Available storage space within The Johnson Building was increased by 60% on existing capacity.</p> <p>Filing Plus successfully reduced filing by the required quantity, planned the move and undertook the physical relocation of filing into the new premises.</p>

CASE STUDY 2

Client	WPP
Location	UK
Affected Staff Numbers	2500 +
Statistics	Average 50% reduction of both onsite and offsite documentation
Project Details	<p>Due to a successful working relationship with a number of WPP companies, the parent company appointed Filing Plus as their preferred group supplier for Filing Consultancy, Document Scanning and Offsite Archive Storage.</p> <p>Our unique and integrated approach to document management within the WPP Group has lead to savings of over 50% in both on-site and off-site storage costs and resulted in the successful relocation of over 3,000 staff.</p>

CASE STUDY 3

Client	BSKYB
Location	Isleworth TW7
Affected Staff Numbers	1000
Statistics	40% reduction of onsite documentation
Project Details	<p>Due to a major reorganisation and refurbishment project within their Isleworth Campus, BSKyB appointed Filing Plus to assess the departmental requirements and manage the filing relocation to New Horizons Court.</p> <p>Storage levels were reduced by almost 40% on existing levels; requiring Filing Plus to provide workable long-term solutions to document storage; in keeping with the contemporary and energising environment sought by the project team.</p> <p>Over 2Km of filing was relocated over the course of the project.</p>
